Qualification Path Correction Request Form

Use this form when you selected the incorrect qualification path (e.g., "Required Testing" instead of "No Required Testing") when creating a project previously submitted to Bluetooth Launch Studio ("Qualification"). Once complete, please sign and submit to Bluetooth SIG by submitting a ServiceNow request.

1. Member Information. Please provide the following information:

Member Company Full Name	
Member Representative Phone Number	
Member Representative Email Address	

2. Qualification Information. Please provide the following information:

Declaration ID No.	
Required Correction	Change path to: ☐ No Required Testing or ☐ Required Testing (select one)

I understand, acknowledge, and agree that by submitting this form:

- I am requesting Bluetooth SIG to change the qualification path for the Qualification listed above to the path indicated above and that when Bluetooth SIG makes the requested change all information previously entered after the point when the incorrect qualification path was selected will be removed and no longer accessible;
- I am requesting that Bluetooth SIG allow me, as a representative of the Member company identified above ("Company"), to complete the Qualification following the path indicated above;
- I will not make any other changes to the Qualification;
- I must complete the Bluetooth Qualification Process for my Qualification within 10 days after Bluetooth SIG notifies me that I am able to make changes to the Qualification;
- Once Bluetooth SIG approves the changes and makes them public, they cannot be reversed.

I hereby waive on behalf of myself and Company any and all claims and release and discharge Bluetooth SIG for any and all liability for any change made or not made to the Qualification.

By signing this form, I on behalf of myself and Company acknowledge the statement above and represent, covenant, and warrant:

- The changes requested are due to a mistake made in the original Qualification and Company is solely responsible for the Qualification and all changes made to it.
- I am authorized by Company to sign and submit this request on its behalf, and all information included in and with this request is true, complete, and accurate and complies with the Bluetooth Launch Studio Terms of Use.

If any of the foregoing is not correct, do not sign or submit this form.
